Multi-Family Construction Starts Montgomery County

Summary

Concerns

- 5 year-over-year economic contractions since sequester
- Domestic out-migration since sequester
- Lowest employment gains in the region since 2010 (Tie-DC)
- Scientific and Technical Employment losses since 2022
- Most negatively impacted in Washington Region by DOGE
- Rising unemployment
- COVID labor force contraction never recovered
- Average Hourly Wages declining
- Little housing construction
- Zero Multi-Family construction starts

Assets

- Nice place to live
- Good schools
- Great Assets: NIH, NOAA, Metro

Outlook

Difficult several years ahead, but:

Montgomery has all the elements to be competitive, so our future is in our hands.

Difficult choices need to be made to change the county's direction and make us more competitive.
